Regarding the HoF cases, does [Ex. 6 Personal Privacy (PP)] want a list of HoF cases? Or is the "list" referring to the transparency list of all cases we're working on. Thanks.

[Ex. 5 Deliberative Process (DP)]

For tomorrow, I thought we could talk about redacted reports (referring to []'s email) and HoF cases and the "list." She actually asked me to set up a whole meeting to discuss HoF cases but I thought we could at least start, tomorrow.

Do those two items sound okay?

I took a quick look and agree it looks good. I have two suggestions, both of which are based on the discussion with Ex. 6 Personal Privacy (PP) Since I'm only in the office a short time today, I didn't get a chance to add suggested edits into the document, but am putting these suggestions in email (I could make edits in the doc early next week if that would be useful):
